The REALTOR® of the Year is the highest and most coveted award that can be bestowed by one's peers. This award is based on the outstanding contributions of a REALTOR® to the local, state and national REALTOR® Associations. The recipient must demonstrate REALTOR® "Spirit" and a faithfulness to the principles of the REALTOR® organization, professionalism, and the Code of Ethics.

Frank Nardo REALTOR® Achievement

The REALTOR® Achievement Award is presented to an individual REALTOR® who has made a difference in the Association, either through a single accomplishment or a series of achievements throughout a career in real estate. Since 1999, we have recognized such leadership by naming the REALTOR® Achievement Award in honor of Frank Nardo who embodied the ideal of REALTOR® achievement, through his devotion to our industry and his work for our association as an officer and president.

REALTOR® Community Service Award

This award is based on the outstanding contributions of an individual to his or her local community, as well as being an active participant of the local REALTOR® Association.

Affiliate of the Year

This award is open to a non-REALTOR® associated with the real estate industry such as employees of title companies, lending institutions, appraisers etc.

Citizen of the Year

The Citizen of the Year award is given to a non-REALTOR® individual who works toward the betterment of our community through public service or private actions. We have recognized both public servants and community volunteers with this award.

One to Watch

This award recognizes our younger members who demonstrate ingenuity and creativity in their careers. They continue to innovate, reposition and reinvent themselves and their business models in the changing markets. They have taken on a leadership and/or mentoring role to agents around them and are involved with volunteer organizations within their community.
