Greetings!

The Snohomish County/Camano Association of Realtors is holding their annual Food Drive through the month of October. As you know, the need at our local shelters and food banks is greater than ever. If you are able to donate anything to this worthy cause, please give me a call or feel free to drop by my office to leave something in our collection bins. Remember, a \$1.67 donation will buy 1 pound of food!

Thank You!
