Over the past twenty seven years the Homeless Endowment Fund has given interest free loans to families and individuals to be used to assist in paying damage deposits in the process of securing permanent housing. Since the fund was created Realtors® in Snohomish County have provided over \$500,000 in assistance for recipients of this fund.

We need the help of local businesses in order to make this event a success. We would like to encourage your sponsorship at a level that is right for your company.
