

The Snohomish County REALTOR® Homeless Endowment Fund was established in 1991. It is the only fund in our area that supports a continuum of programs focused on housing assistance in Snohomish County. These programs cover a wide range of needs from short term emergency housing, to rental security assistance to IDA's (down payment assistance).

The Volunteers of America Western Washington work with individuals to qualify, counsel and determine which programs meet their needs. Since the fund started in September 1991, we have raised more than half a million dollars to assist individuals and families in Snohomish County.
