# REALTORS® CARE CHARITABLE FUND

The Homeless Endowment Fund was created in 1991 by REALTORS® in Snohomish County. This fund benefits our partner *Habitat for Humanity of Snohomish County's* local home building projects.

We've been seeing unprecedented homelessness in our area, *the proceeds from our annual charity golf tournament* helps sustain the fund & continues our goal to assist those making a positive effort to achieve self-sustained housing a reality. Since the fund was created, REALTORS® have provided over well over half a million in assistance to well over 1,000 individuals and families in Snohomish County.
